

COUPLE AND ENGAGEMENT PACKAGES 2018

I strive to make my photo shoots FUN and relaxed. I want to capture the true personality of you and your fiancé' by talking, laughing and getting to know each other. I want you to look at your photos and say "wow, that is so us! So, come relaxed and ready to have fun. It's not too often that you get to dress up and have a photo shoot so I want you to be excited about it! :) Also, don't worry about posing or how to stand etc... That's my job and I will pose you and guide you to how I vision the photograph. Your only job is to have fun and be yourself. I want you to interact with your fiancé' just as you always do. In a way, I kind of want you to ignore me. I want you to goof off, make faces, cuddle, laugh, play and be excited with your Fiancé'. It's all about having fun and being in love!
