

FAMILY PACKAGES 2019

Each session is UNIQUE! Have an idea of what you would like to capture but understand that depending on the mood of your child at that given moment, you may or may not be able to capture those dream images. Just stay positive, make it fun and try to go with the flow and I will get something beautiful! Let your kids play. Let them be goofy and silly. Some of those candid shots of them where they don't even know I am taking their picture can be some of the best! Trust ME! And don't worry about the little things. I can get rid of boogers, boo boos and blemishes, etc.! Your pictures will be beautiful! Just have FUN and enjoy this time with your family
